Marko Stojanović 44/19

Dokumentacija za projekat Wine Cube iz Web
Programiranja PHP 2

Uvod

1. Korišćeni programski jezici: Korišćena je framework Laravel, programski jezik PHP, skript jezik JavaScript, biblioteke jQuery i FontAwesome, kao i dva template-a: jedan za stranice namenjene krajnjim korisnicima Coffee Cafe Starter i za stranice namenjene administratorima Pluto. Korišćen je i eksterni font Mr_Dafoe.

2. Opis funkcionalnosti

Galerija - stranica Wines

Dinamičko čitanje informacija iz JavaScript-a - stranica Wines, Wine,Sign up i mnoge druge zbog header-a

Pretraga, sortiranje, filtriranje i straničenje - stranica Wines,

Korpa - stranica User Corner

Izmena korisničkih podataka - stranica User Corner,

Brojač proizvoda u korpi - svaka stranica za krajnjeg korisnika (u header-u)

Dodavanje u korpu - stranica Wine,

Ocenjivanje proizvoda (vina) - stranica Wine,

Naručivanje proizvoda - stranica User Corner

Responsive-ni meni (header)

Povećanje sadržaja opisa proizvoda klikom - stranica Wine

Manipulacija brojem proizvoda u korpi (izbacivanje, povećanje i smanjivanje jedinica) - stranica User Corner,

Zabrana/dopuštanje određenom tipu korisnika određenih aktivnosti - većina stranica.

Registracija - stranica Sign up,

Prijava - stranica Sign in,

Odjava - metoda,

Upotreba AJAX-a - stranice Wine, User Corner, Wines,

Validacija registracije u posebnim klasama, izmene korisničkih podataka, prijave.

Rad sa middleware-ima i skladištenje relevantnih informacija u ključevima sesije

3. Template

Template-i su skaldišteni u views resources/views folderu, dok su include-ovi skladišteni unutar iste folderske strukture u folderu common, a komponente takođe u okviru iste folderske strukture unutar foldera components a centralni delovi stranica u folderu vistas.

4. Stranice

Home

Na početnoj stranici se ne nalazi ništa od specifičnih funkcionalnosti.

Wines

Na stranici wines se nalazi sortiranje, filtriranje, pretraga, straničenje i galerijski prikaz. Prikaz dužeg i kraćeg opisa. Kao i zabrana administratoru da doda proizvod u korpu.

Wine

Na stranici wine korisnici sa ulogama kritičara i potrošača mogu ubaciti proizvod u korpu i dinamički manipulisati njegovim brojem. Isto tako kritičar može ostaviti jedan review za vino, dok će svaki naredni za isto vino izbrisati prethodni od istog korisnika kako bi mogao ostaviti samo jedan review za jedno vino.

Dodavanje u korpu je moguće iako proizvod nije dostupan, dok kasnija naružbina neće biti.

Prikaz ostalih review-a (drugih kritičara) ukoliko ih ima za dato vino.

Wine Cube - The best liquor store out there!

Find all of your favorite California wines on one place!

A LONG RIDE

Our history - our guarantee of quality!

Starting out in 1949. - it's needless to say how our company has a rich history. But along with the tradition, we have always been devoted to the creation of the more inclusive and righteous society and were always glad in giving opportunities to minorities. As we still do today. Our company policy is that everybody has equal rights not only to enjoy in charms of this wonderful beverage, but also to earn money for buying it! That's why our liquor store has been loved from people of the most different ethic and religious backgrounds united in idea of liberty.

NEW DEAL

Online liquor shopping

Welcome a brand new addition to Wine Cube's offerings - online shopping! That's right, you can now buy wine from your favorite liquor store from comfort of your armchair! Great feature made for you is also a possibility of putting wines into the online cart as your online wish list! Even if the particular wine is not available at the moment, it'll be waiting for you in your cart. All you have to do is just to sign in!

Go shopping

A LONG RIDE

Our history - our guarantee of quality!

For anyone of you traditionalists, or if you're just in a hurry; you can come by to our store in fabulous Los Angeles, just minutes away from Venice Beach. Beside practical purposes, our store is also great for photography, as we operate in work-of-art building which is a work of art of the modern achitecture. Take a sip of you favorite wine in an equally pleasing environment. You deserved it!

About author

Author of this website is Marko Stojanović, student of College for Information and Communication Techonologies in Belgrade, Serbia. Born and raised in town of Požarevac, he moved to Belgrade in 2019 after graduation in Economic and Trade School with a degree of economic technician. However, he chose to move on and come to Belgrade to study what he love the most - computing. Up to this point, Marko Stojanović has learned a decent amount of knowledge related to the information techonologies, first and for most in domain of programming. That knowledge includes ability to work in programming languages C, C# and PHP, as well as script languages, such as JavaScript and database query language SQL. Aside from programming, he has quite a lot studying experience in administrating network devices. In his free time, he enjoys watching movies and listening to music.
